The answer. And the right next step.

Meet Finn, your SDtrust knowledge companion.

Sebastian · Roy · Wanne

One client. Four different deadlines.

When can Atlas submit payroll changes?

20

General rule

S1 · Belgium

22

Client agreement

S4 · Atlas

23

Meeting proposal

S10 · Teams

25

Chat recollection

S3 · Teams

Finding a message is easy. Knowing what applies is the hard part.

Ask once. See the answer and why.

01 **Ask in your own words**

One small companion on your desktop.

02 **Check the evidence**

The answer, its sources and the reasons.

03 **Know what comes next**

If evidence is missing, surface the owner.

Let’s ask Finn.

DEMO PLACEHOLDER

Final app capture goes here

45 seconds · ask, inspect, follow up

Editable storyboard. This is not an app screenshot.

ASK

Atlas deadline?

INSPECT

22 October Source S4

FOLLOW UP

Next month?

Scripted fixture demo · synthetic records

Trust needs a reason.

22 October

2026

Approved Atlas exception
Belgium · October only

S4 — **Approved client agreement**

Roy approved the Atlas exception.

S1 — **General procedure**

The client exception takes precedence.

S10 / S3 — **Teams proposals and recollections**

The 23rd and 25th are not approvals.

No evidence? Make the gap visible.

"And for next month?"

No substantiated answer

October's agreement does not confirm November's deadline.

Next step: Roy

Ask the Atlas account owner for a confirmed November date.

Contact is simulated in this prototype. No message is sent.

Same principle. Another HR question.

When must a sick leave notice be passed on?

24 hours

S6 · Approved

Current Belgian procedure

48 hours

S7 · Unconfirmed

A Teams message without approval

72 hours

S34 · Expired

Older procedure valid until 2025

Synthetic demo policy · this is not payroll or legal advice

Less searching. Better judgement.

Help people use the right context
without maintaining another knowledge portal.

NEXT STEP · A FOCUSED PILOT

01

Connect safely

Authorised sources
and access controls

02

Close the loop

Real colleague confirmation
when evidence is missing

03

Measure value

Time to a supported answer
and expert interruptions
